

CARDBOARD CATERPILLARS

Materials:

- Scrap paper
- Choice of:
 - Cardboard background
 - Cardboard cut to shape of caterpillar
- PVA glue

Method:

1. Cut circles out of your scrap paper until you have 4-6 (*or more if you want a really long caterpillar!*)
2. Using your chosen background, stick the circles down slightly overlapping with PVA glue to create the caterpillar shape.
3. Once dry, you can decorate your caterpillar.
