

TIN CAN PLANT POTS

Materials:

- Tin can
- Scrap paper
- Paintbrush
- PVA

Method:

1. Clean can and remove any labels.
2. Add a layer of glue to the outside of the can.
3. Decorate your can by sticking on any scrap bits of paper.
4. Brush on a layer of PVA to cover the paper layer.
5. Leave to dry.
6. Fill them with soil and plant seed or small plant.
